

RASMUSSEN & CO.

RESPONSE TO COVID-19

COVID-19 POLICY

For your safety and ours...

In order to continue to operate and ensure the safety of all Rasmussen & Co. employees and clients, we have adopted a comprehensive policy to plan, prepare, and respond to the COVID-19 public health emergency.

CLOSED TO THE PUBLIC

Access by appointment only

In-person appointments will be restricted to situations where it is required by law that a client be physically in the presence of a lawyer. All in-person appointments will be booked by the lawyer in charge of your file and at his or her discretion.

SOCIAL DISTANCE & MASK USE

Masks must be worn when entering our office

We are requiring all individuals entering our office to wear a non-medical mask and to maintain a distance of 2 meters between each other at all times.

CLEANING & DISINFECTING

Increased cleaning and disinfecting procedures

We are cleaning and disinfecting high-touch surfaces multiple times throughout the day and after all in-person client appointments.

WORKING REMOTELY

Whenever possible we are working remotely

We have been leveraging available technologies to be able to work remotely for many years. While the circumstances may be different, the way that we work hasn't changed much. Even when we aren't physically in the office we are still working hard.

THANK YOU FOR YOUR COOPERATION.
STAY SAFE AND HEALTHY.
